O R D E R:

In the reference 1st read above the Managing Director, APUFIDC, Guntur has informed that the vide reference 2nd read above Government have accorded administrative sanction for Rs. 2824.00 lakhs under UIDSSMT scheme for the work of Investigation, Survey, Design and execution of Tanuku Water Supply Scheme with Narsapur Mogalthur canal under Godavari western delta as source with the following method of finance:

Central share	: Rs. 1131.00 lakhs
State Share	: Rs. 141.00 lakhs
ULB share	: Rs. 1552.00 lakhs (ULB share + Inadmissible amount) (Rs. 142 lakhs + Rs. 1410.00 lakhs)
Total	: Rs. 2824.00 lakhs

2. Accordingly, the Engineer-in-Chief (PH) has accorded Technical Sanction for Rs. 2824.00 lakhs and entrusted the work to M/s. Ramky Infrastructure, Hyderabad duly inviting the tenders under EPC mode. All the components of the scheme were completed and commissioned, except construction of 850ML capacity Summer Storage Tank. The components constructed under this scheme are being utilized by drawing the raw water directly from the canal during the canal running period (9 months) and during the canal closure period (3 months) the system is being continued by utilizing the ground water till an assured source is identified.

3. The MD, APUFIDC, Guntur has further informed that due to non completion of the land acquisition process and due to representations of the agency, permission was obtained by the ENC (PH) from the Government vide reference 3rd read above and the agreement was closed duly deleting the SS tank component from the scope of the agency. Government while permitting the Chief Engineer (PH), A.P to close the above agreement and directed to submit alternative proposal to Government in due course for strengthening of surface water source and to meet the cost from the savings available under the scheme.

4. The MD, APUFIDC, Guntur has stated that in the reference 4th read above, the Chairperson, Tanuku Municipality has requested the DMA, Guntur and informed that:

Contd..2.,

a) An amount of Rs. 450.46 lakhs released from UIDSSMT funds by APUFIDC had been deposited with the RDO, Kovvur for acquiring Ac. 64.28 cents required for construction of summer storage tank and further informed that the RDO, Kovvur has approved the land value @ Rs. 2.92 lakhs per Acer and requested to deposit the balance amount (Rs. 627.77 lakhs - Rs.450.46 lakhs).

b) Municipal council Tanuku vide CR No 369 dated 11-12-2015 has unanimously resolved to deposit an additional amount of Rs 200.00 lakhs from the Municipal general funds and accordingly the additional amount of Rs. 200.00 lakhs was deposited with the RDO, Kovvur for completing the land acquisition process.

c) Already 3 adjoining villages were merged in the Tanuku Municipality and 4 more villages are likely to be merged , and the construction of SS tank is very much necessary for uninterrupted drinking water supply to the citizens and therefore the Municipal Council, Tanuku vide C.R.No. 72, Dt: 24.05.2016 has reiterated the importance of SS Tank and requested the RDO, Kovvur to process the land acquisition.

5. The Municipal Chairperson, Tanuku has further requested the MD, APUFIDC to take up the land acquisition and construction of SS tank with the savings available under this scheme and also requested to re-appropriate the amount of Rs 200.00 lakhs deposited with the RDO, Kovvur from the Municipal General Funds towards the land acquisition and also requested to issue suitable instructions to the RDO kovuru for completing the land acquisition at an early date.

6. The Managing Director, APUFIDC, Guntur has informed that the Tanuku WSS was formulated under UIDSSMT scheme for meeting the drinking water supply needs of 1.63 lakh population to be attained in the ultimate year 2036. Since the land acquisition process was not completed in time Government have permitted to close the agreement with the contracting agency with a direction to the Public Health Engineering Department to submit alternative proposal in due course for strengthening of surface water source by utilizing the savings of Rs 1528.46 Lakhs available under the scheme. The object of the scheme could not be achieved completely, since the scheme is being utilized for only 9 months with the water drawn from the Peravali Canal and for the balance 3 months the people are being supplied protected drinking water by drawing the ground water. Due to increase in the ULB population and also with the merging of adjoining villages into the ULB, the drinking water supply demand is likely to shoot up drastically.

7. The Managing Director, APUFIDC, Guntur has submitted that the total value of work done under Tanuku WSS is Rs 1760.00 lakhs (as reported by EE(PH), Eluru) including the land acquisition cost of Rs 450.46 Lakhs already deposited with the RDO Kovuru. Now an amount of Rs 541.27 Lakhs is available under this scheme as inadmissible component and the funds position is as shown below:
